			Subject: Implementing Letters for Staffing of National Intelligence Bulletin

Summary

1. Purpose: To formally request DIA, INR, NSA and Treasury to appoint in-house NIB representatives within their agencies.

In the cases of DIA and INR, to invite them to assign assistant managing editors to the NIB staff. *(At Dick Lehman's request a line was added indicating your prior recognition that Hyland does not intend to send one editor from INR.)*

In the case of NSA, to invite them to identify an NSA officer who will advise the NIB staff on SIGINT matters.

2. Background: These letters are needed to formalize the USIB approved plan for NIB staffing. In the case of DIA and INR it will provide them a document to be used in justifying the assignment of an officer to the NIB staff and as a basis for recruiting a replacement for their own organization. These letters have been coordinated with Dick Lehman.

3. Recommended Action: Recommend D/DCI/IC sign letters opposite.
